JCOD's New JII Panel

JCOD is establishing a collaborative and inclusive panel of Justice Involved Individuals (JII). This panel will convene on a monthly basis to gather valuable feedback on various JCOD initiatives and ensure we are centering the priorities of those with lived experience in the justice system in everything we do.

Anyone who is interested should fill out the below survey. The survey has 16 questions and should take no longer than two minutes to complete. Other important details can also be found below:

- *Complete the attached application form by clicking [HERE](#)*
- *Panel sessions will occur monthly and typically last between 1 to 1.5 hours.*
- *Both in-person and remote (when available) participation options will be available for each session.*
- *Participants selected for the panel will receive a gift card as compensation for their time and input.*

All applications must be submitted no later than November 22nd, 2023. Once the application period closes, we will review all submissions. Those who are selected to participate will receive direct communication from JCOD during the week of November 27th.

Together, we can make a positive impact on the lives of Justice Involved Individuals.
