

CREATED IN 2021

Provides one year of training and technical assistance that focuses on organizational growth, management contracting, capacity mapping, and mentorship for community based organizations (CBOs) that serve communities and people who are justice involved.

Focus on CBOs run by underrepresented groups, including those with lived experience

Addresses the supply bottlenecks in housing and treatment that present barriers to improved wellbeing and prevention

SERVES 20-30 PARTICIPATING CBOs IN THREE PHASES:

PHASE 01

Nonprofit management & growth, L.A. County contracts, best practices in reentry, and communications & grant writing

PHASE 02

Leveraging relationships with established providers & other experts to provide training, technical assistance, and coaching

PHASE 03

Financial management, action plan, and capacity building

89 organizations have participated so far

Graduating CBOs have received **\$31.8** million combined

TARGET ORGANIZATIONS:

Non-profit, 501(c)(3) status, and/or faith-based organizations

Grassroots and small CBOs (less than 50 full-time employees)

Diverse leadership (Formerly incarcerated, LGBTQIA+, and BIPOC-led)

Priority given to organizations serving the highest need areas

CBOs offering a wide range of services and offer geographic diversity
