JCOD in the Community: The Refresh Spot in Skid Row

JCOD extends heartfelt gratitude to Supervisor Hilda Solis and her exceptional team for orchestrating an awe-inspiring event this past Friday, June 23rd in the Skid Row area of downtown Los Angeles, dedicated to giving supportive serves to those who are most vulnerable. We are grateful for the chance to interact and engage with this community and share the programs that could be of benefit to changing lives. The opportunity to connect with various departments and organizations has also paved the way for future collaborations that will enable our collective efforts in serving justice-impacted individuals and communities more effectively.
