Focus on CBOs run by
community-rooted individuals,
including those with lived
experience

Supports organizations' development and
maintenance of their operations by enhancing
capacity and addressing critical service gaps
vital to community wellbeing and prevention.

Serves 25-30 Participating CBOs In Three Phases:

Phase 1

Organizational Foundations

Building the essential
governance, leadership, and
operational infrastructure
needed for long-term success.

Phase 2

Organizational Capacity & Program Excellence

Strengthening internal systems, strategic
planning, and program effectiveness to
prepare organizations for growth.

Phase 3

Resource Development & Government Readiness

Positioning organizations to secure
funding, manage grants, and
successfully partner with Los Angeles
County.

501(c)(3) status, and/or
faith-based organizations

Target Organizations:

Priority given to
organizations serving the
highest need areas

Grassroots and small
CBOs (less than 50
full-time employees)

Community-rooted leadership
(Organizations led by individuals
with lived experience or deep ties
to the communities they serve)

CBOs offering a wide
range of services and
offer geographic diversity
